

Presents

RAPTOR REHABILITATION AND TRANSPORT NETWORK TRAINING WORKSHOP

Topics:

- **Raptor identification & nesting behaviors**
- **Rescue, emergency care and transport of injured and orphaned raptors**
- **Fostering and reuniting downed nestlings and fledglings**

Workshop led by:

Katie Stubblefield, Clinic Manager

&

Scottie Jackson, Avian Specialist

Please register by March 30, 2014. Handbooks will be distributed to pre-registered attendees first; late registrants and walk-ins are welcome, but there may be a wait for your handbook and you must pre-register to reserve lunch. **Open to anyone who is interested.**

**Register by phone, email, or sign-up sheet in AWC Clinic:
(205) 663-7930, Ext. 3
volunteer@awrc.org**

**SATURDAY
April 5, 2014
9am-3pm**
